## WORKSHOP DESCRIPTIONS:

### **For Women:**

1) Beautiful in His Sight (Unmasking Your True Beauty) - As a precious young woman God desires you to see how wonderful and beautiful you are. By knowing the truth, you can unmask your true beauty, and become all that God created you to be. Beautiful one you were made to walk in His image.

2) Victorious Living (Tough Teen Topics) - In a world filled with hurt, pain and confusion it is imperative for teens to know the truth. This informative workshop will help teens discover God's truth enabling them to find peace and hope from self-destructive behaviors. Jesus said, "I have come that they may have life, and that they may have it more abundantly." Jn 10:10

### **For Men**

3) Living Strong - Living Strong Description: Every young man wants his life to count for something that is more than the mundane. Young men have vivid imaginations and grand ideas. This is good because God often connects His will for us by means of His word and the things that ignite our imaginations. Men, God has called us to so much more than a checklist of do's and don't or the mundane and boring, He has called us to join Him in a much grander endeavor - to be Kingdom Builders. Join me as we will discuss how God has created us for adventure and purpose.

4) Standing Strong - How do young men stand strong when they are bombard with a warped and lustful world? Often many questions arise. Come, ask your questions, and discover the truth in becoming a mighty man of God.

### **For Mothers:**

5) Mothering with a Mission - As mothers, we have the wonderful privilege, yet very difficult challenge, of raising daughters. Our goal is to see them glorify God in all that they do; however, the world is seeking to convince them to believe many lies. This workshop will address both the privilege God has given mothers, and the challenge of raising Godly young women in an ungodly world.

### **For Fathers:**

6) Following My Father - As fathers, we have the awesome and fearful privilege to lead our sons into manhood. This incredible yet difficult task is a father's calling and responsibility. Our goal is to see our sons glorify God in all that they do; however, the world is seeking to convince them to believe many lies. As we follow our heavenly Father, we will be equipped to lead our sons. This workshop will address both the privilege God has given fathers and the challenge of raising Godly young men in an ungodly world.

### **For Adults/Leaders/ Parents:**

7) Leading into Purity in an Un-pure - The challenges our young people face today are unlike any other previous generation. Yet, we are given the privileged task of guiding and instructing young people into purity. It is not an easy task and there are no set rules for how to accomplish this, however there are many principles in God's Word on how we can be leading our young people into purity in an un-pure world.
